

Origami Doll

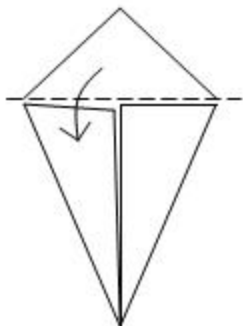

- 1** First you need a square piece of paper.

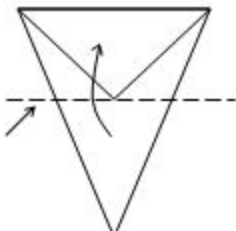

- 2** Turn it so it looks like a diamond and fold point to point so it looks like a triangle. Unfold it again.

- 3** Fold both corners to the center line so it looks like the next picture.

- 4** Fold the top corner down.

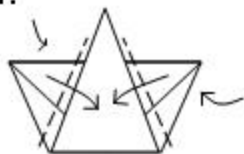

- 5** Fold the bottom up so it looks like the next picture.

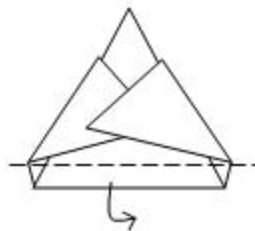

5a

- 6** First fold the left side over.

- 7** Then fold the right side over the left.

- 8** Fold the bottom back to make a base so your doll can stand up.

- 9** Fold the top point back to make head and hair. Draw a face and decorate with crayons, markers, fabrics, etc. to complete your doll. You may want to add fake hair, beads or glitter to make your doll fancy. Have fun!

Your finished doll!
